

# ALBERTA'S Cross-Curricular Competencies

A cross-curricular competency is an interrelated set of attitudes, skills and knowledge that are drawn upon and applied to a particular context for successful learning and living. They are developed by every student, in every grade and across every subject/discipline area.

Supporting the vision of an educated Alberta 2030:

## Engaged Thinkers and Ethical Citizens with an Entrepreneurial Spirit

This poster is designed to support awareness and understanding of cross-curricular competencies identified in the Ministerial Order on Student Learning #001, 2013 – <http://education.alberta.ca/departement/policy/standards/goals.aspx>. This poster is available as a result of a grant from Alberta Education to regional consortium to support implementation. For further supports for implementation visit your regional consortium.
